As a LanguageLine Solutions client you have access to over-the-phone interpretation 24 hours a day, 7 days a week. Use this Language Identification Card in a face-to-face situation to determine which language a person speaks. The Language ID Card lists the languages most frequently encountered in North America, grouped by the geographical region where they are commonly spoken.

• To use the Language ID Card efficiently, locate the geographical region where you believe the speaker may be from. (Pacific Islands, Europe, etc.)

• Show the person the languages listed for that region. The message underneath each language says: “Point to your language. An interpreter will be called. The interpreter is provided at no cost to you.”

Refer to your Quick Reference Guide (QRG) to access an interpreter through LanguageLine Solutions. In most cases, an interpreter is available within seconds.

If you are unable to identify the language, our representative will help you.

Please note: LanguageLine Solutions interprets from English into more than 200 languages. Only the most requested languages are listed here. This list is subject to change based upon client demand.

From North America call 1800 752-6096 for more information about our service.
